

Dear Students,

Civic Exchange is recruiting students to support the Climate Dialogue Conference <http://climate.dialogue.org.hk> in two ways:

- Student helpers at the conference at HKCEC (3 – 6 November)
- Student ambassadors at the airport and partner hotels (Wanchai and Happy Valley) (2 – 6 November)

Students participating as helpers and ambassadors will benefit from this opportunity in two ways. They will have the rare opportunity to experience the actual execution of a high-level international conference involving top international climate change experts from and delegations from the world's major cities. They will also have a chance to be present in the conference venue to listen to the most cutting edge climate change discussions. Each student helper or ambassador will also be issued a certificate of appreciation signed by the conference organizer.

Interested students may apply directly with Civic Exchange by filling and returning the excel form to Civic Exchange by email rleung@civic-exchange.org before 5th October 2010.

Candidates for MCs and Ambassadors will go through a selection process. Civic Exchange will organize the interview in mid October 2010. Successful candidates will be notified shortly after the interview. The key dates are summarized in the excel forms.
