## HKU Fundraising Programmes Won International Awards

The FIFE Fund, which aims at promoting equal learning opportunities in support of financially challenged students, follows in the footsteps of another gold-medal winning donation programme, the Stanley Ho Alumni Challenge, to win two gold medals in the Circle of Excellence Awards organised by the Council for Advancement and Support of Education. The Circle of Excellence Awards received a total of 2,800 entries from 690 member institutions in 2009.
