***Hong Kong Social Enterprise Challenge (HKSEC)**, the first and only inter-collegiate social venture business competition in Hong Kong, will be held from September 2010 to February 2011. HKSEC, organized by the Center for Entrepreneurship of the Chinese University of Hong Kong, is a business plan competition to help turning creative business ideas into meaningful and sustainable commercial ventures that promote social good. HKSEC believed all students have the potential to become successful social entrepreneur. To equip participants with the skills and knowledge needed for the competition, we provide a series of seminars, workshops, mixers and community visits, where they can exchange ideas and interact with executives from business, government departments and NGOs.*
