

Introductory Course on Sign Language

Dear Colleagues and Students,

I write to invite you to join this course on sign language.

HKU is committed to an inclusive campus. To promote the general competence of staff and students on sign language to facilitate better communication with people with hearing impairment, the Disability Action Committee has invited the SilentGroup to run a 6-hour programme on sign language.

SilentGroup 靜聲手語協會 is the first non-profit making organization in Hong Kong dedicating to research and promotion of sign language. Since the focus this time is on sign language for the HK region, the course will be conducted in Cantonese. Enrolment is limited to 30 and is on a first come first served basis.

Registration through HKUEMS is required at
