

Leader Recruitment for Club International

Do you think you have what it takes to lead a multicultural student group? We are looking for the next leaders of Club International (Club I) to perpetuate our vision of communication and understanding between people of different cultural backgrounds at HKU.

As a student group that promotes cross-cultural communication, we organize weekly meetings at local restaurants where a diverse group of students gather, talk and learn about the cultures of the world. Last year, we had students from India, Switzerland, Canada, Malaysia, Hong Kong, Australia, Korea, Switzerland, Singapore... and more.

No matter whether you're a local, international or exchange student, if you think you are up for this challenge of leading a multicultural group, send us an email at clubi.hku@gmail.com. Tell us a little bit about yourself and your interest in this project. We'd love to have you on our team!

If you have any questions, please send us an email at clubi.hku@gmail.com.

We hope to see you soon!
