PLANNING YOUR STAY

ACCOMMODATION

Accommodation for full degree undergraduate and exchange students (for full-time students only)

We have different types of accommodation to suit your needs:

(A) Halls of Residence (primarily for undergraduate students)

There are thirteen halls of residence, eleven of which are directly administered by the University, while two are financially and administratively independent of the University. These thirteen halls vary considerably in size and character. They are basically undergraduate halls, but they also accept a small number of postgraduate students. The quota for international students is relatively small and competition is usually keen.

HALL CULTURE: IS IT FOR YOU?

The halls of HKU are committed to the personal and social development of their members. They are part of the education system, rather than a mere provision of accommodation. Hall members are expected to take full advantage of this experience and to participate actively in a wide range of hall activities.

The halls are also known for their strong hall spirit. Members identify very strongly with their halls. Each hall has its own tradition, culture and unique characteristics.

HALL FACILITIES

All halls have common rooms and recreational facilities. Each floor has its own pantry and is equipped with refrigerator, microwave oven, hotplate, water boiler and drinking fountain. Communal bathroom and toilet facilities are provided on each floor. All rooms are air-conditioned and furnished with bed and mattress. Each student is provided with a wardrobe, writing desk with lamp, chair and bookshelf. Individual network point and a shared telephone line are provided in every room in most of the halls. Coin-operated washing and drying machines are provided in every hall as well.

(B) Non-hall Student Housing

When all hall vacancies for non-local undergraduate students are filled, students will be assigned a place in a “non-hall” student hostel like the Patrick Manson Student Residence (PMSR) and Pokfield Road Residences (PRR). (see *Accommodation for postgraduate students below*).

The lodging fee for undergraduate students in the PMSR and PRR is same as that of other university-administered halls. In addition, residents will be charged air-conditioning fees and they have to pay key and smartcard deposits.

PATRICK MANSON STUDENT RESIDENCE (FOR NEW NON-LOCAL STUDENTS)

Patrick Manson Student Residence (PMSR) is a “non-hall” student hostel. It is a four-storey building housing about 121 students. Accommodation facilities are provided on a sharing basis. It is situated near the main teaching sites on Sassoon Road. Unlike traditional halls, there are no hall commitments and fewer activities for residents.

FACILITIES:

Rooms in PMSR are furnished with beds, wardrobes, writing desks with lamps, chairs and bookshelves for every student. Main entrance access, laundry and air-conditioning service are operated by smart-card devices. In addition, residents share one spacious TV common room which can be used for various social and academic activities. Each floor has a communal pantry equipped with hot plate, rice cooker and refrigerators. Two washrooms and separate shower stalls are also provided on each floor.

This residence is linked to the main campus by means of university shuttle bus within school hours. Residents can also travel to the main campus by bus.

Website: www.hku.hk/pflac

(C) Application Procedures: Getting a place

The Centre of Development and Resources for Students (CEDARS) coordinates and places newly admitted non-local undergraduate students into halls and non-hall student housing. As soon as you are admitted to the University, you may submit your application. The online application form is available under “Accommodation for nonlocal students” of the CEDARS website at <http://cedars.hku.hk>. You will normally be notified of your application result in late July (for those students admitted for the first semester) or in early December (for those students admitted for the second semester).

PLANNING YOUR STAY

(C) Pokfield Road Residences

Pokfield Road Residences can accommodate up to 216 postgraduate students in four types of flats: single flats, 2-bedroom flats, double/triple-shared flats and family flats. Priority is given to newly arrived non-local research students. (A small number of vacancies will also be set aside to buffer the demand from non-local undergraduate students). Residents can stay from one month up to twelve months, with the possibility of renewal. The monthly lodging fee ranges from HK\$1,680 to HK\$3,465.

The Residence is within walking distance to the University's main campus (by 20 minutes) and Flora Ho Sports Centre (by 10 minutes).

FACILITIES:

All flats go with en-suite bathrooms, domestic washing machines and are fully furnished with bed, wardrobe, study desk, chair and telephone connection. Each of them also contains a small kitchen area with sink, cupboard, gas-stove and small refrigerator for preparation of light meals.

While lodging fee includes utilities cost, air-conditioning is payable and activated by a smartcard device. Residents are responsible for cleaning their own bed space, the communal bathroom and kitchen facilities.

(D) Morrison Hall

Founded in 1913, Morrison Hall is one of the oldest halls in the University. The Hall was closed down in 1968. Yet, with the efforts of the "Morrisonians", a campaign for rebuilding the Morrison Hall was initiated in late 1990s. The new building is located near the Flora Ho Sports Centre. All rooms are double rooms fully furnished with air conditioning and access to the campus network. There is a common bathroom and a pantry on each floor. It provides 150 residential places for both male and female postgraduate students. Priority will be given to newly arrived research postgraduates. It also consists of an undergraduate residence which can accommodate 150 male students. All Morrisonians are expected to interact with each other through formal as well as informal hall activities. The monthly lodging fee for each postgraduate student is around HK\$1,350, subject to annual review.

(E) Robert Black College (for short stay only)

Robert Black College provides accommodation primarily for overseas visiting scholars. There are a few vacancies for students.

Applicants can choose from a variety of accommodation, including single rooms, twin rooms, suites and apartments. All bedrooms have their own showers, and are air-conditioned and furnished with a refrigerator, television, radio and telephone. There is also access to the University's computer network in every room. Computers, fax machine and other facilities are also provided in the communal areas for residents' use.

(F) Off-campus University Rented Accommodation

In anticipation of the growing number of non-local students and the corresponding shortage of residential places, the University has rented a small number of flats in Sai Ying Pun (西營盤) for those students who are interested in living in off-campus housing owned by private landlords. These off-campus flats are located within walking distance to the main campus and are well served with facilities such as shops, banks and restaurants. Priority will be given to newly admitted non-local postgraduate students.

For enquiries about vacancies, please contact:

Mr. Alan Ng

ACCOMMODATION MANAGER

 (852) 2859 2305

ACCOMMODATION FOR MARRIED STUDENTS AND DEPENDANTS

The University does not have any accommodation facilities specifically provided for married students and their dependants. However, they may apply for the flat and apartment run by the Robert Black College (monthly rental ranges from HK\$7,000 to HK\$20,000) for a temporary stay. In the long run, they need to rent a private flat outside the campus. Graduate House and Pokfield Road Residences also have limited residential places for those married couples without children.

PLANNING YOUR STAY

OFF-CAMPUS PRIVATELY RENTED ACCOMMODATION: AN OPTION FOR ALL

Privately rented accommodation is another option for you. Private accommodation is relatively more expensive than living in halls. Most landlords look for long-term tenancy of at least a year. If you wish to look for privately rented accommodation, you are strongly advised to arrive earlier so that you will have ample time for property inspection and rental negotiation. The monthly rental starts from HK\$3,000 for a small single room and HK\$9,000 or more for a flat. A set of guidelines on tenancy matters can be found under "Accommodation" section on our website at <http://cedars.hku.hk>.

HOTELS AND HOSTELS IN HONG KONG

There are a number of hotels and hostels in Hong Kong in which students can stay either short-term or long-term. Please visit the CEDARS website and go to "Accommodation" for information and reservation.

TEMPORARY ACCOMMODATION ON CAMPUS

A few guest rooms are available in some halls for students to stay temporarily. For those who need temporary accommodation, they should contact the following hall offices directly for reservation and information:

FINANCIAL AID

Like most countries, the HKSAR government does not provide financial aid to non-local students. It is therefore important for you to plan your budget well and ensure that you will have adequate financial resources to cover all of your expenses during your stay in Hong Kong.

Postgraduate studentships are available for those reading for a M.Phil. or Ph.D. degree. Further information is obtainable from the Graduate School.

International student entrance scholarships are available for undergraduate students. You can find out more information at <http://www.hku.hk/admission/scholarships.htm>.

PART-TIME AND SUMMER JOB

Under the existing immigration regulations, full-time full-degree non-local students are allowed to work at the designated operators on the HKU campus for up to 20 hours per week during term time. They can also work full-time during the summer period. For details, please visit the CEDARS website at <http://cedars.hku.hk/nonlocal/visa.html>.

While some students can earn extra money from part-time and vacation work, availability of suitable jobs is not guaranteed. It is not advisable to plan your budget expecting to find work for the maximum allowable hours.

BANKING ARRANGEMENTS: MAKING EARLY PROVISION

If you do not have a bank account in Hong Kong, you will need to transfer money for use on arrival. This can be done, either

- by instructing your overseas bank one or two weeks prior to your departure. Arrange to send money in your name to a bank in Hong Kong (both HSBC and the Bank of East Asia have branches on the HKU campus); or
- by carrying traveller's cheques or a bank draft for deposit into a local account (personal cheques can also be deposited but may take up to three weeks to be cleared).

The majority of banks are open from 0900 to 1630, Mondays to Fridays. Most establishments in Hong Kong accept major credit cards such as VISA, MasterCard and American Express but the University and most campus outlets accept cash or cheque only.

BRINGING MONEY

There are usually significant extra expenses in the first month of your stay, such as rental charges, household items and textbooks. On top of the tuition fees, the first month's expenses can amount to HK\$10,000 or more for a student. It is important to have a realistic idea of the amount of money you will need and plan accordingly.

You are advised to bring enough cash, traveller's cheques or bank drafts to cover expenses of at least your first month. Do not, however, carry too much cash at any time.

You will be able to locate banks and currency exchange services at the airport as well as on campus.

You can obtain a bank draft or transfer money to a bank account in Hong Kong through your local bank. Keep in mind that it may take some time to cash a large bank draft.

Money transfers should be arranged well before your departure.

There are two banks located on the main campus:

HSBC	Tel: (852) 2233 3000
The Bank of East Asia	Tel: (852) 3609 1812
Bank of China	Automated Teller Machine only

The official currency of Hong Kong is Hong Kong Dollar (HK\$). You can exchange foreign currency or Traveller's Cheque with Hong Kong dollars according to the daily exchange rates at any banks or money exchange shops in Hong Kong.

FAMILY MATTERS:

SHOULD I BRING ALONG MY OWN FAMILY?

Before making a decision of bringing your family to Hong Kong, it is important to consider the following issues:

- The airfare expenses for your family to and from Hong Kong
- Additional accommodation expenses as you need to rent a larger flat
- Extra costs for food, clothing and other necessities
- Restricted employment opportunities for your spouse
- Provision of child care facilities
- Whether your children will adjust well to schools in Hong Kong
- English-speaking schools are mostly privately run and expensive
- The impact on you and your studies if your family is not happy in Hong Kong
- Whether you come to Hong Kong first and arrange things for your family, or bring your family to Hong Kong together with you

MEDICAL CARE & INSURANCE: KEEPING WELL

The University provides comprehensive primary health care to entitled students through a clinic on the main campus. Medical consultations are generally free of charge. Certain medications, preventive services and other items are charged at cost. A notional charge is also levied for dental treatment and physiotherapy treatment at the University clinic.

Specialist care and hospitalisation can be provided at public clinics and general wards of government hospitals. Non-local students without a Hong Kong Identity (HKID) card are required to pay full fees for services and hospitalisation in government hospitals. You are therefore strongly recommended to have covered by insurance the whole period of stay in Hong Kong.

Non-local persons without a HKID card have to pay FULL FEES for services and hospitalisation in government hospitals. The charges are as follows:

Deposit	Around HK\$33,000 to be paid upon admission	
Room charge per day	General Ward	HK\$3,300
	High Dependency Ward	HK\$9,800
	Intensive Care Ward	HK\$13,900
	Special Intensive Care Ward	HK\$18,100
Operation cost	HK\$3,900 to HK\$12,300 (for minor surgery)	
	HK\$70,300 to HK\$300,000 (for ultra major surgery)	
	This does not include charges for tests, X-rays, cast, medication and follow up checks etc.	

Fees are adjusted upward annually.

Patients need to settle all outstanding charges before discharge.

Please note that many insurance policies are strictly on a reimbursement basis. International students, even with insurance coverage, may have to settle the medical bill first before you can claim reimbursement. It is important that you check carefully with your insurance company on the extent of coverage, and the claim procedures, and set aside a sum of money for contingencies.

PLANNING YOUR STAY

VISA MATTERS

WHO SHOULD APPLY FOR A STUDENT VISA?

Generally speaking, if you wish to study in Hong Kong and you do not have a right of abode in Hong Kong, you need to apply for a HKSAR student visa.

WHEN TO APPLY ?

As soon as you have received the admission letter.

HOW TO APPLY ?

1 Mail your complete visa application documents to the Centre of Development and Resources for Students (CEDARS)

2

Upon confirmation of your student status, CEDARS will forward your visa application documents to the HK Immigration Department (HKID). HKID normally needs 6 to 8 weeks processing time. They will inform CEDARS of your student visa application result.

3

If HKID approves your visa application, CEDARS will courier the visa label to you. For mainland students, after receiving the visa label from CEDARS, you need to approach your Local Police Unit (戶口所在地的公安機關出入境管理部門) to seek their endorsement. You also need to apply for a private travel pass to HKSAR (因私往來港澳通行證). This may take you another 2 weeks at least.

DOCUMENTS LIST

Details can be found on the CEDARS website at <<http://cedars.hku.hk/nonlocal/visa.html>>.

ENQUIRIES

Information on visa procedure can be updated anytime without prior notice. Enquiries about immigration formalities can be directed to CEDARS at <cedars@hku.hk>. Mainland undergraduate and taught postgraduate students should consult China Affairs Office directly at <visaapp@hkucc.hku.hk> on student visa matters.

CULTURAL ADJUSTMENT AND LIFE IN HKSAR

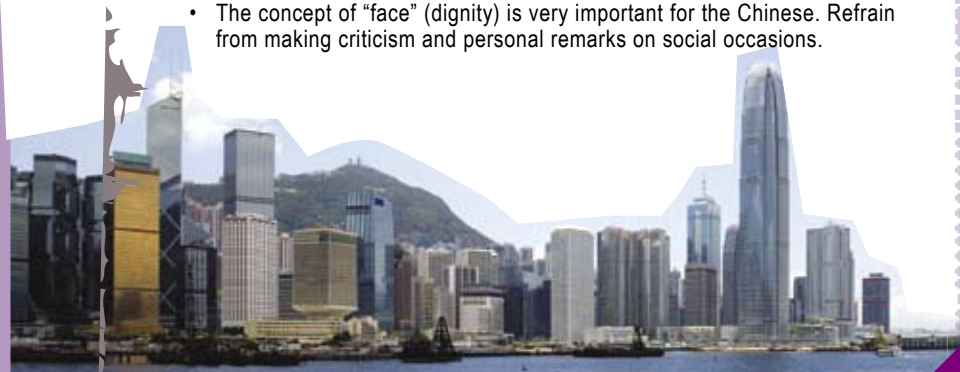

HONG KONG CULTURE

Language

Hong Kong is a cosmopolitan society, with Chinese as the major ethnic group. Locals speak the dialect of Cantonese. Most people speak Cantonese and know English, though fluency of the latter is another issue. Putonghua is commonly heard and spoken nowadays. Some locals may have difficulties in understanding you, particularly if you have strong regional accents. You may also find that you have difficulties in understanding them at first. Just be patient. Try to speak slowly and deliberately. Avoid colloquialisms and jargons if you can. When communication becomes really difficult, remember the magic word "smile". It works across all cultures.

Social Customs and Behaviour

- It is common to call your peer's first name. It is always safe to address the elders and seniors in the social circles with their titles such as Mr. Chan, Dr. Wong, Professor Lee etc.
- It is advisable to give your Chinese friends plenty of personal space, particularly if you do not know them well. If you are interacting with the locals, avoid the common western gestures like back slapping, and nudging, as most Chinese find them uncomfortable.
- Do not push ahead of others who are waiting in queue.
- It is not polite to ask a newly acquainted person about his or her income or marital status.
- Squatting on the street and spitting or speaking loudly in public areas is regarded as "uncivil" acts. Putting your feet on a chair or on a train seat is deemed as a "very bad manner".
- Modesty is highly valued by the Chinese. Display of intense affection, temper or anything "extreme" will very often be frowned upon.
- The concept of "face" (dignity) is very important for the Chinese. Refrain from making criticism and personal remarks on social occasions.

PLANNING YOUR STAY

Chinese Festivals

Hong Kong has upheld many traditional Chinese festivals. The most important one is the Chinese New Year, which usually falls in January/February. Classes will be suspended and university offices will be closed.

DAILY LIVING IN HONG KONG

The University campus is well served by modern public buses and green mini-buses. Eligible students can apply for a "Student Octopus Card" in October every year.

Generally Hong Kong is a safe city with many well-lit roads. Public transportation services also operate till midnight throughout the week.

If you wish to learn about the other facets of "HK life" such as transportation, money matters, cultural events, tourism spots, you can surf the official websites such as <<http://studyinhongkong.edu.hk>>, <<http://discoverhongkong.com>> before departing to Hong Kong. Essential information is also listed on the CEDARS website at <<http://cedars.hku.hk/nonlocal/incoming.html>>. You are strongly recommended to pick up a copy of "Guide for Newcomers" at the CEDARS office upon arrival.

It is independent of the university administration and runs its own Co-op store and photocopying centre on the campus. It has more than 100 sub-organisations, each with distinctive objectives and functions, catering to the diverse interest of the student population. Only HKUSU members can represent HKU or HKU halls to participate in competitive games. For the full list of student clubs and membership details, please refer to the HKUSU homepage at <www.hkusu.org>. Among the student clubs, the International Student Association is very active in organising non-local students' activities.

Prepare the followings before you leave

- Ensure that your passport and travel documents are valid and in order.
- Obtain a student visa for your study in Hong Kong (refer to p.34).

- Arrange health/medical insurance if necessary (refer to p.32). You should make additional provision if necessary.
- For visiting and exchange students only: Confirm the credit transfer arrangement with your own study abroad office. Make sure you know whether your home institution will give you credit for the classes that you complete at HKU.
- For visiting and exchange students only: Keep your buddy informed of your arrival details so that you can be met at the Airport or at the Hong Kong Station. It will be better for you to send your buddy a photo first, and ask your buddy for the contact number.

WHAT DOCUMENTS SHOULD I BRING?

We recommend that you carry the following documents with you. Do not put them in your luggage when you travel. To be safe: make photocopies of them and keep them in a secure place or give them to a friend for safekeeping.

- ☐ Valid passport or travel documents.
- ☐ Student Visa (You have to present your student visa label to the Immigration Officer at the Airport on arrival).
- ☐ Original Letter of Acceptance from HKU.
