To : All Applicants of Round 1 Hall Admission (2024/2025)
From : The Manager
Date : 20 May 2024

2024/2025 Round 1 Hall Admission Result

The result of the application for hall admission is posted herewith in **5 pages** for your reference:-

1. All successful applicants: After the announcement of results at 15:00 on 20 May 2024, an applicant who is offered a place must indicate acceptance of the offer through the on-line system of the HKU Portal → Login HKU Portal → select "SIS Menu" → select "On-line application" → select "Application for Resident Hall" → select "Application Status" **by 17:00 on 27 May 2024**. The offer of admission will be automatically withdrawn if a student fails to do so.

Unsuccessful applicants who wish to appeal against the decision of halls should submit their appeals through the on-line system of the HKU Portal → Login HKU Portal → select "SIS Menu" → select "On-line application" → select "Application for Resident Hall" → select "Request for Appeal" within 72 hours immediately following the announcement of the results:

Start date time: 20 May 2024, 15:00:00
End date time: 23 May 2024, 14:59:59

2. If you will go for exchange or will join any kinds of "year-out work/study" programme in year 2024/2025, you **must inform the hall office and provide evidence**. Should you want to stay in this hall after your year out, you must apply hall admission in Round 1 for the residential year 2025/2026. Then you need not accept the offer in this exercise.

If you will go for exchange in 1st semester, you have to accept this offer if you want to return to stay in the 2nd semester.

3. Students on leave of absence, taking internship or have completed their full-time study are not allowed to stay except under very exceptional circumstances. Such students need to apply to the Warden beforehand. Students found staying in the hall without approval obtained from the Warden will be required to leave immediately and their over-stay would be charged at the graduate student rate, which is double that of undergraduate/postgraduate student rate.
